

Newtown Girls Softball Association

"The Rock" - The Women of Tomorrow

Dear Business Owner:

The year goes by very quickly and believe it or not, the 2008 softball season is rapidly approaching. Again, the Newtown Girls Softball Association is asking for your participation in sponsorship. This source of fundraising will help in off setting the rising cost of running the softball league, as well as to enhance the look of our facility.

Enclosed please find the 2008 Sponsorship Invoice Form. We have several types of sponsorship packages available. Please fill out accordingly and return promptly. If you have any questions regarding advertising please call Joseph A. Garvey at 215-783-0427 or email: ChefJoseph@aol.com.

We are pleased to announce the growth of our league thanks to your continued support. With funds raised in 2007 we were able to install a multi purpose-batting cage and upgrade all of our equipment such as bats, balls, helmets and catcher gear.

Our intramural program has become the model for all other communities in our area. Newtown boasts over 500 girls of all ages playing, learning and meeting new friends from surrounding areas because of our inter-township league play. Coaches' clinics and winter gym space at Council Rock School District have allowed our girls an opportunity to increase their skill level year round.

Rock Softball in 2007 added a full travel program to our organization allowing the girls of our community to experience softball at a higher level. The girls played all over Pennsylvania, New Jersey, Virginia, Florida and Delaware. A few teams had the pleasure of playing in front of Mickey at Wide World of Sports in Orlando.

In 2008 we plan on running a full travel tournament for all age groups of 10, 12, 14, 16 and 18 and under in Newtown, which will bring thousands of people to our area. With this exposure we believe it will allow us to showcase our great community.

We are proud to announce that Newtown Rock Softball has landed an under 18 gold team that will play on a national level. Rick Waye, who has been inspirational in coaches' clinics, as well as conduct the Extreme Softball Camp held in Newtown this past August, will lead this team.

As a coach in this league there is no better feeling than watching these young girls develop their skills, but more importantly make new friends and grow into the Women of Tomorrow.

The over five hundred girls and the Rock Softball Board thank you in advance for your generosity, and we look forward to seeing you out on the fields!

Sincerely,

Joseph A. Garvey -President
